## **CITY SEEKS RESIDENT INPUT FOR 2016-2017 BUDGET & CIP**

**SAN GABRIEL, CA** – Residents can give input on this year’s budget with an online survey for the 2016-2017 Budget and Capital Improvement Program, released by the city today.

This is the second year the city has used an opinion survey as a way to incorporate resident input into the budget process. Last year, several residents filled out the survey and their thoughts were included in the information presented to the City Council for consideration.

The budget survey is part of the city’s new budget process, which was designed two years ago to make the budget more accessible and transparent to the community. The budget and capital improvement program are the most important documents the City Council and city staff create each year, so the city aims to get as many residents involved as possible.

The online budget survey can be accessed on the [city website](#) and will be open to residents until March 17. For more on the budget process, visit the “Budget Central” page on the city website at <http://sangabrielcity.com/?NID=924>.
