

Who Needs a Business License

The City of San Gabriel Municipal Code requires most businesses operating in San Gabriel to pay an annual business license tax. Business Licenses are not transferable between owners; however, they may be transferred to a new location upon notification to the Finance Department and approval by the City Community Development. All businesses, trades, professions, callings, or occupations operating in the City need a Business License. These include but are not limited to:

- Any business in a commercial or industrial location.
- Persons who have a home office or use their home as the headquarters of their business
- Businesses which are located outside the City but transact business in the City such as contractors, cleaners, repair people, gardeners, fumigators, solicitors, etc.
- Independent contractors such as massage providers, beauticians, etc.
- Apartment owners of four or more units.
- Mobile vendors who sell merchandise from their vehicles, such as gourmet food trucks and ice cream trucks.
- Temporary businesses at a one-day or weekend event in the City, or a short-term seasonal business.

How Do I Obtain a Business License?

Businesses located in the City must obtain the application forms at City Hall. All businesses in town must submit the applications in person.

Out of town businesses may obtain an application form on the City website, www.sangabrielcity.com.

The form may be mailed in with the payment or payment may be made in person. We do not take any payments over the phone.

The City Hall address: 425 S. Mission Dr. San Gabriel, CA 91776.

How Much Does It Cost?

The City of San Gabriel is a flat tax city, rather than a gross receipts city. Different flat fees apply to different business classifications. See EXHIBIT "B". **Coin operated games and machines are taxed on gross receipts (6%).**

How Long Does It Take to Apply?

Out of town business licenses and some independent contractor licenses may be issued over the counter while you wait. Most in town businesses are subject to inspections so the licensing process takes approximately 2-4 weeks. If, after the initial inspections, there are corrections that need to be made, the license will not be issued until the corrections have been made and the business has passed re-inspection.

What Other Things May I Need?

Please see the list of Business License Requirements ("EXHIBIT "A"). Certain requirements may apply to certain business types. Please contact City Hall if you have any questions about what may be required for your particular type of business.

Conditional Use Permits, issued by the Planning Commission after a public hearing, are required for a number of business types, including massage establishments, schools and educational institutions, live entertainment venues, automobile dealers, etc. Please contact the Planning Division at 626-308-2806 with any questions.

BUSINESS LICENSE APPLICATION REQUIREMENTS

All Businesses - BL and Occupancy Application Form

Sole Proprietorships/Partnerships/Husband & Wife – If using a name other than the owner's (or owners') own personal first and last names in the name of the business, must have a Fictitious Name Statement (DBA) stamped by the LA County Recorder's Office in Norwalk.
