Smith Park Pool Party Guidelines

Thank you very much for choosing Smith Park Pool for your pool party. We hope your use of the pool will be enjoyable for each of your guests. For your safety, the following guidelines are provided. Please review the guidelines with your group **prior** to your trip to Smith Park Pool.

1. **Before the swim party can begin, the adult in charge must submit Smith Park Pool Activity Release Forms for all participants, adults and minors, to lifeguards on duty. You will receive copies of the Smith Park Pool Activity Release Form when your application is approved. Please make as many copies of the form you will need.**
2. Specific rules of behavior are posted at the pool and are strictly enforced.
3. Pool staff has complete authority to enforce any rules and regulations necessary to provide a safe swimming experience.
4. **Violation of posted and/or announced rules and regulations may result in the removal of the violator from the pool and/or the pool deck.**
5. No person, 48 inches or shorter, will be allowed in the pool, unless he/she is directly and continuously supervised by an individual 16 years of age or older. **This supervision must be on a one-to-one basis.**
6. Food, gum, oils, lotions, hairpins or clips, flotation devices such as "floaties" or life vests and floating toys are not permitted in the pool or on the deck.
7. Pool users are required to wear regulation swim trunks or swim suits; cut-offs, shorts with belt loops or zippers, T-shirts, tank tops, cover-ups, etc. are not permitted on the pool deck or in the pool. **Swimwear rule is strictly enforced.**
8. Locker rooms and restroom facilities will be available. However, pool staff will not be provided to check-in and monitor personal possessions, nor will those areas be monitored or supervised by city staff. **Neither the City of San Gabriel nor the Community Services Department will be responsible for lost or missing items.**
9. Lifeguards will blow the whistle 15 minutes prior to the scheduled close of the party. This will signal pool patrons to vacate the pool.
10. By contracting for the private use of Smith Park Pool, the renter agrees to follow all directions of city staff and to monitor and control the deck, locker rooms and restrooms.
