

Community Services Commission Awards Program

Dear San Gabriel Residents,

Annually, the Community Services Commission honors the community of San Gabriel for their outstanding contributions to the youth and adult programs in our community. The Commission has established two annual awards that will be presented at their June Commission meeting. These awards are designed to acknowledge the outstanding service and accomplishments of the community of San Gabriel. Given the pandemic and schools not in session, staff is recommending to move forward with the Selfless Volunteer Award only.

“Selfless Volunteer Award”

The Selfless Volunteer Award is an award given to one individual for volunteer work with youth or older adult organizations and programs. This award can be given to any individual who has made significant contributions to the City of San Gabriel and the community through their time, actions, talents and dedication. The nominee should serve as a role model for compassion and service and strive to make the community of San Gabriel a better place. Their passion for service and helping others in the community should be selfless.

The Community Services Commission is requesting your assistance by submitting the names of volunteers who have extended themselves on behalf of the youth and older adults of the City of San Gabriel. The Awards Program is open to any volunteer who has made a significant contribution to the City of San Gabriel.
