Measure SG

Maintain. Invest. Protect.

San Gabriel's City Council recognizes a pressing need to maintain and enhance public safety services and to invest in the City's infrastructure. To address these needs, the City Council has voted to place a 0.75% sales tax measure on the March 2020 ballot. The measure is anticipated to raise \$3 million per year for the City's General Fund, allowing the City to continue to provide vital services to its residents.

The measure would allow the City to invest local tax dollars to revitalize heavily used public spaces, including streets, community centers and parks.
